Please see over

Paying for your 600 Club Units.

Firstly, thank you for renewing your membership of the **600 Club** for another 12 months. If this is your first year, we welcome you as a new member.

The bank that holds the **600 Club's** account has recently introduced a charge of 40p for each cheque we pay in. If, however, the money is paid in by internet bank transfer no charge is made. **Please, therefore, if at all possible, pay by bank transfer**, so as to ensure that all the money ends up in the Bell Restoration Fund, rather than up to 8% of it going into the bank's coffers instead.

The Trustees did consider raising the cost of a unit, but decided against, which is why we're now asking members of the **600 Club** to pay by bank transfer. Last year, rather more than half of you did so.

The Fund's bank account details are clearly shown in the middle of the Membership Form.

When making your bank transfer, please remember to include your surname and post code as a reference, and also, if possible, let the Treasurer know (nbennett720@outlook.com), so he can look out for, and be sure of correctly identifying, the receipt. The latter is particularly important if you are paying for units for more than one person.

The **600 Club** is a vital part of our income, and since the BRF was started in 1976 it has given grants totalling almost £214,000. We have made offers of financial support to Eastnor and Broseley and hope that their projects will come to fruition in 2022.

Please return your completed form either to your District Fund-Raising Representative or to the Club Organiser.

Once again, our thanks.
